ONLY FIVE MORE DAYS OF THE GREAT VOTE CONTEST

Short Time To Gather Subscriptions Every Minute Counts Until The Close Of The Contest.

There appears to be some misunderstanding on the part of some of the candidates as to the method of placing subscriptions in the Sealed Ballot Box. Some are under the impression that they must be brought to the Daily News office first to have the vote coupons filled out. This is entirely wrong, as the purpose of the Sealed Ballot Box is that no one in the Daily News office shall handle any money or votes the last ten days and therefore no one can possibly know what any candidate is doing. In placing subscriptions in the Sealed Box, fill them out in the regular way, not filling out the vote coupon, just as heretofore. The judges will do that and place them in a sealed envelope addressed to the SEALED BALLOT BOX of the RICHMOND DAILY NEWS, care of the FIRST NATIONAL BANK.

These subscriptions must be accompanied by the proper amount of money, personal checks not accepted. If you have not yet been furnished with special envelopes you can use any envelope you may have.

Take these envelopes to the First National Bank and have one of the attaches of that institution put it in the Sealed Ballot Box for you, or ask to be taken into the vault, so that you can place them in yourself. Read the INSTRUCTIONS FOR PLACING SUBSCRIPTIONS IN THE SEALED BALLOT BOX printed below and if there is anything further you want to know call in or phone the Daily News office.

TIME IS SHORT—RACE IS CLOSE.

The time is short and the race is exceedingly close. The plan of closing the great campaign is absolutely fair. Just five more opportunity days remain in which candidates may take advantage of the opportunity offered them to become prize winners. Five more days and the biggest popularity contest ever staged in Richmond will pass into history. Monday night at midnight ten popular men and women will be awarded the ten magnificent prizes, according to the way they wind up their campaign the next five days. Now that the voting is in absolute secret and no one knows what any of the candidates are doing, it is possible for any candidate to secure enough votes to become the winner of that magnificent Dodge Touring Car. Every candidate should do his or her best and wind up their campaign with a bang.

CLASS OF THIRTY TO BE INITIATED

A class of thirty will be initiated into the Onetah Tribe of Red Men on the night of May 29. The adoption degree will be put on by the local team, the warriors' degree will be put on by the Wyandotte tribe of San Francisco, and the chief's degree by the Tecumseh tribe of Oakland.

At the last meeting twenty applications for membership were received.

ROYAL NEIGHBORS TO MEET FRIDAY AFTERNOON

All members of the Royal Neighbors Lodge are requested to attend the meeting tomorrow afternoon, as important business is to be transacted. All those who attended the first whist party of the series and who wish to try for the grand prize should hold their score cards.

The convention of the Grand Lodge will be held in San Francisco June 1, 2 and 3.

PROBATION FOR TINGSTRUM IF HE WEDS GIRL

District Attorney to Recommend Action After Plea of Guilty, Report.

Providing James Tingstrum, accused of contributing to the delinquency of 16-year-old Sandella Gadbury, will marry her, District Attorney Johnston may recommend probation, after he enters his plea of guilty in the Superior Court tomorrow morning. This was the word that reached here last night from Martinez.

According to statements credited to Johnston, Tingstrum, if given probation, and allowed to marry the girl, must live with her following the ceremony and find a job and support her.

The marriage of Miss Gadbury and Tingstrum must be given the approval of the girl's parents.

While in the city jail in Richmond, Tingstrum wrote a poem telling of his love for the girl and his desire to marry her. In the poem he declared his honorable intentions were thwarted by the girl's parents, who objected to his going with her.

Sunday the Richmond Maennerchor will hold its annual picnic in Giant Park. Some of the most active and capable members of the organization have been working on the arrangements for many features of the day. An unusual program of games, dancing and music is promised. The following committees are in charge:

Wheel of Fortune, A. Voss, J. Fremida, D. Heidorn and Max Schuttpeitz; refreshment committee, J. Hansen, A. Markstein, E. Pieper, A. Luer, A. von Ernst; floor committee, V. Schang, A. Burg, M. Dietrich; gate committee, Otto Burg, E. Eisenberger; game committee, J. Hirt and E. Heidorn.

Officer Roy Kraemer and his family have completed the job of moving from 552 Second street to 555 Second street. The new location of the efficient clerk to the chief of police is just across the street from his old home.

RULES FOR PLACING SUBSCRIPTIONS IN THE SECRET BALLOT BOX

1. No subscriptions, money or ballots will be handled by the Contest Department from the time the last Vote Offer expired, 10 o'clock Friday night, May 14th.

2. The Ballot Box has now been sealed and will remain for safe keeping in the vault of the First National Bank until Monday night, May 24th.

3. The contestants themselves will from this time on place in the Sealed Ballot Box all subscriptions, extensions and the proper amount of money for the same; also any reserve ballots that have not been voted.

4. Votes will be issued by the Judges only on subscriptions and extensions that are accompanied by the proper amount in the form of either gold, silver or paper currency, P. O. Money Order or Wells Fargo Money Order. No private check or bank drafts will be accepted.

5. Extension votes will only be issued on extensions that have the number of the previous subscription written on the same.

6. Special envelopes will be issued to the candidates to use in placing subscriptions and money in the Sealed Ballot Box.

7. After enclosing the subscription and the proper amount of money for the same in these special envelopes, the candidates will seal them securely (with sealing wax if desired) and place them in the Sealed Ballot Box in the vault of the First National Bank.

CELEBRATING IN RICHMOND IS FAVORED

Repetition of Exodus to San Francisco Not Being Supported Very Generally.

If it is decided by this city not to have "Richmond day" at the Exposition on August 7, there will probably be a big local celebration to commemorate the 65th anniversary of Richmond as an incorporated city. Mayor Garrard last night said that several of the councilmen and many citizens favor having a strictly local celebration.

Richmond has been asked to officially see August 7th as Richmond Day at the Exposition. Most of the merchants favor a local celebration.

The council has tabled action on setting a day for Richmond's sole participation at the Exposition. Before long a decision will be made, and it is not improbable the majority of the councilmen will favor the proposition of a "stay at home and congratulate ourselves" affair on August 7.

FUNERAL OF STENMARK

The funeral of the late J. O. Stenmark, lighthouse keeper, who died early in the week, will be held from the Smallwood parlors this afternoon at 2 o'clock. The services will be under the auspices of the local Odd Fellows. The remains will be cremated in the Oakland Crematory.

LOCAL WOMAN HEARS OF FATHER'S DEATH

Re-Arrested On Release From Prison

On the expiration of his term of three months in the Alameda County Jail for petty larceny, yesterday Frank Hopner, formerly a local resident, was arrested by Chief of Police Walker for failure to provide for his baby child. The complaint against Hopner was sworn to several weeks ago by his wife.

When brought to the city jail last night Hopner refused to discuss the case.

In the jail with him over night was Ray Lannum, local youth who was bound over to the Superior Court on Tuesday night, for the same offense with which Hopner is charged. Lannum will probably be taken to the county jail today.

Hopner will be haled into Judge Lindsay's court today.

Dr. Thomas A. Boyer's noted lecture, "What Time Is It, and Where Are We?" which will be given in the First Methodist church on Friday night, is attracting much notice. The sale of tickets up to date has been rapid.

Work of Students Striking Teachers to be Congratulated

Samples of the work of every school student in the city, from the tot in the first grade to the senior in Richmond high school, is on exhibition in the Lincoln grammar school auditorium. Yesterday afternoon and last night Superintendent of Schools W. T. Helms and his corps of teachers were hosts to the public. The samples of craft of the pupils in every conceivable line of endeavor will be on display in the Lincoln school this afternoon and tonight for the last time.

The advantages of modern day school methods and the practical manner in which the students are trained in everything that comes under the jurisdiction of the teacher, is not only intensely interesting but surprising.

Tables, davenports, tabourettes, desks and all other kinds of furniture, made by the high school boys, are shown. Dresses and other wearing apparel, made by the high school girls, are on display.

"It is not the intention of the school department to teach the boys and girls trades," said Helms. "We aim to teach them accuracy. Once they have accuracy, and the ability to use their brains, eyes and hands it will be easy for them to master the various crafts."

LABOR COUNCIL TOLD OF UNFAIR FIRMS, HECKMAN MAKES REPORT

A communication from the Labor Council of San Francisco, declaring that Levi Strauss & Co. are unfair, was read at the meeting of the local central labor body last night. The Strauss company manufacture shirts and overalls.

A communication from William Hannon, vice president of the Machinists' International, telling of the boycott on the American-La France Fire Engine Company, of Elmira, N. Y., was read also. This firm refused the demands of the machinists and boilermakers and refused to arbitrate. The average wage was 30 cents per hour. The men demanded a minimum of 33 cents. The local city council is requested not to buy products of this firm.

That there was not a single Richmond voter working on the tunnel job was the report of Business Agent Heckman.

CARPENTERS' UNION INITIATES TWO

Charles B. Burley was re-admitted to the Carpenters' Union last night as an honorary member.

E. Mathews was admitted by transfer card. Mathews is employed by Tilden & Eakle. Two applications for membership were received.

Mathews made a talk on the referendum. He is a speaker of unusual ability.

LEAGUE HEAD ORDERED TO QUIT

Declares He is Unafraid and That He is Used to Being Threatened for His Work.

Threats of bodily harm, mingled with vile language, were in a letter received by Rev. P. E. Peterson, president of the Good Government League and pastor of the First Methodist church.

The letter starts "Dear Serpent," in the letter the local divine was taken to task for espousing the cause of clean government, which the writer bluntly and frankly called "meddling." Peterson was told to either quit his attempted moral reforms in this city, or he would be badly beaten up.

The missile is under lock and key at this time.

"The threats do not frighten me," said Peterson in speaking of the matter.

"I have received letters of a similar nature in years past, while engage din reform work, but I have never yet been the target of such an abusive letter as this latest one is. I don't think I will prosecute the sender. The letter pleases me, in fact. It shows that people are waking up in this city, and that the [illegible] orderly interests [illegible] the Good Government League and the people of the city who want the city clean, morally, politically and every other way."

LARGE DELEGATION OF LOCAL PEOPLE TO ATTEND

The Grand Lodge of Pythian Sisters will exemplify the ritualistic work of the order tomorrow evening in Pythian Castle, 111 Valencia street, San Francisco.

A large delegation from Richmond will attend.

Mrs. H. J Hill, past chief of Contra Costa Temple of Pythian Sisters, will be appointed district deputy today by Grand Chief Mabel Midgley. Mrs. Hill will have jurisdiction over Oakland, Alameda, Fruitvale and Richmond.

MAKE FINAL PLANS FOR W. O. W. MASQUERADE

Final plans are being completed for the masquerade ball of the Woodmen of the World, to be held in W. O. W. Hall on Saturday night. Handsome prizes will be given the dancers meriting them through their costumes. Schwartz' orchestra will furnish the music.

MISSTATEMENT SAYS PETERSON

"When the Record-Herald quoted me as saying that th eGood Government League planned to hire a detective to delve into local vice conditions, it quoted me falsely," said Rev. P. E. Peterson, president of the Good Government League, and pastor of the First Methodist church, last night.

"I did not tell the Record-Herald we were planning to employ a detective. As a matter of fact, the Good Government League is not going to hire a detective. We can do our work, and achieve our results without one."

The inuendo and insinuations in the Record-Herald article were laughed at by Peterson.

C.C. TEMPLE TO GIVE WHIST

Contra Costa Temple of Pythian Sisters is planning for its big whist party to be given in Pythian Castle on Saturday night. The committee in charge, which is composed of Mrs. H. J. Hill, Mrs. V. L. There will be dancing during the evenings, and refreshments will be served.

TAX RATE TO BE LOWERED SAYS MAYOR F. J. GARRARD

Ten Cent Cut Possible Is Opinion Of City's Head - $1 Rate After July First?

That it is possible the tax rate for the next fiscal year starting on July 1st, will be set at $1, promised Mayor F. J. Garrard last night.

The tax rate in Richmond for the present fiscal year is $1.10. Garrard says he will make every effort to lower the rate. There is a possibility of lowering it, he thinks.

The rate of $1.10 was made necessary, according to Garrard, because of several new expenses, among them being the purchase of two new fire trucks, the building of fire hall at Nineteenth and Barrett, the addition of a paid fire department, the putting of several new policemen on the local force, the purchase of the patrol wagon and numerous other things.

"I have had the lowering of the tax rate in mind for some time," said Garrard, "and I hope we can bring it down to a point where the [illegible]."

COUNCIL WILL AID SERVICE BUREAU REPORT

Mayor and Others Think Such Action Probable After July 1st.

Statements made by several of the city councilmen, among them being Mayor E. J. Garrard, are to the effect that it is possible the council will make an appropriation for the Richmond Social Service Bureau after the commencement of the fiscal year on July 1.

When the matter of setting aside a fund for the Social Service Bureau was brought up at the council, it was referred to the finance committee, which has not regularly reported as [illegible]

HIGH SENIORS TO BANQUET

Much interest awaits the annual senior banquet which will be held at the local high school tomorrow evening. In past years the banquets have been made intensely interesting by many exceptionally creditable speeches by students.

WATER BOARD TO INVESTIGATE

In the near future the members of the Richmond Water Commission will journey to the base of Mount Diablo, where there is reputed to be a vast supply of water, available for use in this city. The water is mostly from springs near the base of the mountain.

Several of the board seem half way inclined to favor the project of bringing the Mount Diablo water to this city, while others, among which is Commissioner Timmons, voice strenuous opposition to any projected procedure along this year. At any rate, the board as a whole will see the water supply, which has been called to their attention at various times within the past six months.

Timmons is of the opinion that the supply of water from the Mount Diablo watershed is not nearly large enough. There is reputed to be an average daily flow of 600,000 gallons. Timmons said he personally would not be in favor of any bonding proposition unless a daily supply of over 10,000,000 gallons of water was assured.

He also contends that this water supply is as far away from Richmond as the projected Sacramento river source, and that it would cost as much, if not more, to pipe it here.

Phil Barry, police sergeant, returned to his duties yesterday, after a vacation of two weeks. Part of the vacation was spent in Fresno, where Barry attended the State Aerie of Eagles. On the return of Barry, Officer Eigenman started on his two weeks' vacation, the greater part of which will be spent in Richmond.

MINTZNER INJUNCTION CASE UP IN U.S. COURT

City Attorney D. J. Hall will appear for the city of Richmond in the Federal court in San Francisco today to argue for the dissolving of the temporary injunction, the Mintzner estate has obtained from the North American Dredging Company, which prevents the dredging company from going ahead with its work of deepening the south channel of San Pablo canal. Hall will contend that the channel of the canal is navigable, and therefore the dredging company, which is under contract to the city to do the work, has a right to operate without any interference from the Mintzner estate. He has affidavits, which will be presented in court, to show that the channel was navigable.

The city contends that it is imperative that the work be concluded, and further contends that the Mintzner estate has no legal grounds on which to permanently cause the cessation of work.

The Mintzners ask the Federal court for $20,000 damages from the dredging company for damage the work is alleged to have done on property in the estate.

In order to settle several matters of importance, such as the fixing of grade crossings and the damages to be paid by the city for rights of ways, City Attorney D. J. Hall and City Engineer H. D. Chapman will leave tonight for Los Angeles to confer with the head officials of the Santa Fe Company on the coast. Hall and Chapman have an appointment with the Santa Fe heads, and after years of inaction it is probable they will bring word of definite action intended by the company on their return home Saturday.

MEXICO; GIVE HER A CHANCE.

We have heard about Mexico. We have heard a great deal about the necessity of "developing" the country, of "civilizing" it and protecting foreign capital.

But we hear very little about the rights of the individual Mexican who is fighting for land and liberty.

Lincoln Steffens, now in San Francisco, has some ideas about Mexico and the Mexicans.

Steffens left Europe, after the war had been declared, because, he says, he couldn't understand that conflict. A people battling for land, he thought he could understand. So he went to Mexico.

Steffens doesn't pity the Mexicans in their present condition. He hopes that they will be let alone until they have solved their own problems.

The Mexican revolutionist cannot see that "development," Americanizing, can do him any good.

He can see only profit for the American "developer," nothing for the Mexican worker but the joy of being exploited to aid the development of the country.

A Mexican isn't fond of working eight or ten hours a day. He won't do it unless forced.

The land of Mexico will grow most anything. The Mexican can live on the land by working about two hours a day.

And the Mexican for the life of him can't see what good will come to him if he permits his land to be taken up by the millions of acres of foreign capital and "developed."

He would then be the wage slave. He wants no more slavery.

Carranza, Zapata and Villa are, indeed, leading different factions of revolutionists. The Mexicans are making mistakes. But that is their business. This country made mistakes, lots of them.

Mexico should be given as much time as the United States had to fight and win independence and then to weather the period of reconstruction.

Eight years of war and four of reconstruction. That is fair enough. That would give Mexico twelve more years to settle her own affairs.

So declares Steffens.

A conference of Democrat, Republican, Socialist and Prohibitionist party leaders has been called to take up a fight against the non-partisan measure. The fight against the non-partisan measure will thus become a non-partisan fight and will in a way itself demonstrate the wisdom of non-partisanship. In this fight of partisans against non-partisanship, partisanship itself must be eliminated.—Vallejo Tribune.

RICHMOND MAN TO BE DELEGATE

Bernard Anderson of San Francisco and Charles Johnson of Richmond will represent the Northern California District of the Gusta Vasa Lodge as delegates to the Grand Lodge in Minneapolis this summer.

The Northern California District Lodge, Golden Gate No. 12, Swedish Order of Vasa of America, met yesterday at its annual convention in the Swedish-American Hall. The following officers were elected and installed: District Master, Edward Anderson; vice district master, R. Almquist; secretary, Peter Tengvall; vice secretary, S. Martin; cashier, Fred Swanson.

Probation Officer Compton of Oakland, who came to Richmond to take charge of Fred Harris, the 19-year-old boy who attempted to steal a jitney bus, and drive it to Martinez, where he intended to marry 14-year-old Margaret Kelly, stated to local officials that Harris would probably be ordered confined in a reformatory until he reaches his majority. Compton said he had had considerable trouble with Harris, and that he cannot explain the boy's motives in stealing automobiles.

Local officials, who came in touch with Harris during his confinement in the local jail, since his arrest early Saturday morning, think he is not in full possession of his mental faculties.

SUFFRAGE UNION WOMAN SPEAKS

WALNUT CREEK, May 19.—The question of international suffrage for women held the attention of the members of the Women's Improvement Club at the school meeting held Tuesday afternoon at the Public Library.

About fifty members of the organization were in attendance and the meeting proved to be one of the most interesting that has been held in the history of the club.

Miss Whitney, a representative of the Congressional Union for Woman's Suffrage of San Francisco was the principal speaker at the meeting. She appealed to the women of Walnut Creek to lend their support to the movement for international suffrage for women. She stated that she believed that the proposition to amend the constitution of the United States, incorporating into it the suffrage clause, would be successful this year.

LOCAL SCHOOLS GIVEN BOOST

Richmond's public schools were given a big boost yesterday by County Superintendent of Schools Hanlon, while talking on the schools of the county.

"The schools in Richmond," declared Hanlin, "have everything that all schools in the largest cities of the state have, without the necessary frills. Progress is being made in the school department in Richmond constantly. The teachers are up to the best standard, new and safe buildings are being erected, and efficiency is apparent in all departments.

"Richmond may not have the frills in its school system that some other cities in the state have, but the department of the city ranks high in efficiency and essentials."

MARTINEZ TO VOTE ON BONDS

Today the voters of Martinez will stamp their approval or disapproval on the proposition advanced by the trustees of the grammar school for the purchase for $5000 of the half block bounded by Smith, Castro and Henrietta streets to be used for the erection of a new school building.

Young Butch is one scrapper that all the local fans are falling for strong. When Butch gets in the roped arena he forgets everything but the business of fighting. He shows everything he has, and that is a whole lot. If Butch is not rushed along too rapidly he will show some of the best feathers around the bay something. He is there with the kick in both mitts, and his head is cool. What he needs most is coaching on his footwork. It would do Butch a world of good if he would get under the wing of some one who knows something about the fight game.

If confidence counts for anything, Kid Wunlick has "Plug" Milne beat already. Wunlick is confident he will have no trouble in outpointing Milne. Milne says he'll show Wunlick the meaning of the word fight.

Richmond is lucky to have a good referee like Jimmie Silvas in town, ready to do his share to boost the game along. Silvas is recognized as a ring authority. All the Oakland fighters who were on the last card and who are used to good refereeing spoke highly of Silvas' work.

* * *

Joe Ryan may be a professional, but he is fighting regularly in San Francisco. Cutey Cunningham says Ryan knocked Gus Hoffman out in a bout before the Columbia Club in San Francisco last week. Jimmie Silvas and Phil Barry are both good boosters for Ryan.

The policemen are all good boosters for the boxing game. Without exception every man on the day shift on the force has been in attendance at the last two fights here.

After beating Cheek's Cubs Sunday, Elmo Pinkerton's Winehaven nine is looking for other worlds to conquer. At this stage of the game Winehaven looks at least 25 per cent stronger than it did six weeks ago. Pinkerton is the moving spirit in the suburban organization. He is making a hard fight to keep his bunch up with the fast ones.

Artie Benham will probably pitch for the Sebastopol nine this season. Manager Bert Delmas is negotiating for Benham's services, and if he lands the former Seal he will be able to give any of them a battle. Benham's battery mate will be Jimmy Riordan, who has caught him several score times within the past three years.

AL BROWNING MADE MAJOR

Bailiff Al F. Browning followed his success at the Grand Aerie of the Eagles, which was held in Fresno recently and at which he was named grand conductor, yesterday attended the Knights of Pythias convention in San Francisco and in a competitive examination secured the office of major of the First Regiment of the Uniform Rank Knights of Pythias. Two honors in as many weeks is surely going some and Browning deserves the congratulations of all.

TAKES UP ROAD REPAIR WORK

Francis C. Havens, owner of Villa Sites properties between Richmond and Berkeley, was in Martinez yesterday and announced that he would take up the matter of keeping the roads of his tract in repair with the supervisors at their next meeting.

Havens stated that to construct the sky line boulevard he had expended $16,000. He further pointed out the fact that he pays between $8000 and $12,000 taxes per year and has never received a cent of road money.

BOY TOLD THE TRUTH, CHIEF

Many of the details of the story told by William H. Lueschner, 17-year-old boy, who was arrested on a Santa Fe train at San Pablo last week by Santa Fe special officers, and who has been locked up in the city jail here, pending the outcome of a charge of petty larceny, have been found to be true by Chief of Police Charles Walker, who has been investigating the case. Walker has determined that the lad has relatives in Marin county, Texas, and formerly lived there, as he claimed. These relatives have not signified their intention of doing anything to help the lad out of his plight.

He is accused of having pilfered the suitcase of several passengers on the Santa Fe train on which he was arrested.

104,000 Men

In the jungles and fields, in our factories, etc., 104,000 men are employed to meet the demand for Goodyear tires.

No other tire commands anywhere near such favor. And this spring has shown, in sales to dealers, an increase of 52 per cent.

Extra Values

The reason is, we fortify our tires. We give the best that others give, plus five exclusive features. In costly ways, employed by no one else, we combat:

Rim-Cuts	Insecurity
Blowouts	Punctures
Loose Treads	Skidding

And we never skimp. Despite all price reductions, Goodyears are better than ever. Lately we have added three conspicuous improvements.

Some Goodyear supremacies can be seen at a glance. Compare size and thickness with the average tire. Compare number of fabric plies.

Prices Down

Goodyear has made in about two years three great price reductions, totaling 45 per cent. The last was on February 1st. Our matchless output enables a value which no other maker can duplicate.

Goodyears mean less trouble, less upkeep. That is proved by our exclusive features, our dominant place, and the swelling Goodyear tide. We urge you to join this army. Any dealer will supply you.

COAST LEAGUERS ARE TO BE AT BIG DANCE

East Shore Park will look as though it is a convention hall for famous Pacific Coast ball players Saturday night. There never was any doubt but that the dance would be a huge, tremendous, gigantic success. But news was received here last night that makes the ball promoters doubly sure of its success.

Practically the entire Los Angeles and Oakland Coast League ball teams will be at the ball. This is no joke. This statement can be verified by Charlie Burns, Bill Luce, Neeley O'Hara, Outfielder Daniels, or any of the baseball boys.

Bill Burns, former Richmond boy, who is pitching for the Los Angeles club, has always remained loyal to his home town, although on several occasions he has been thousands of miles away from it. Now Bill sees a chance to do some good for the home town, and the boys playing ball here. So he has arranged to bring to the dance with him practically every man on the Los Angeles team, including the famous "Pop" Dillon, veteran of a thousand diamond battles.

But that is not all. Daniels has been doing something very material for the good of the cause, and has achieved successful results. Several days ago Daniels dispatched postal cards to the members of the Oakland Coast League team, which is playing Los Angeles this week, asking the Oaklanders to attend the benefit baseball dance here. He has received answers from Middleton, Ness, Gardner, Elliot, Lindsay, Bromley, Ables and Kuhn, stating that they will come here for the festivities.

Are you going to the baseball dance at East Shore Park next Saturday night. It is the big ball of the season.

COAST LEAGUE

Only two games were played in the Coast League yesterday, the battle scheduled between Portland and Venice in Los Angeles being postponed on account of the funeral of "Hap" Hogan, former Venice leader, which was attended by thousands.

Los Angeles beat Oakland on the San Francisco lot yesterday afternoon by the score of 7 to 3, while Salt Lake and San Francisco battled in Salt Lake for 11 innings, the Bees finally winning by the score of 2 to 1.

In both of the games played yesterday the players on all four teams, at an appointed time bared their heads.

Good factory conditions and union workmanship make the "Stag Pants" superior. Sold by Jones, Adkison & McRacken. tf-adv

Today, tomorrow, and then the big fight carnival tomorrow night. Every one looks like a hummer.

SOUTHPAW VS. SOUTHPAW HERE SUNDAY

Did it ever occur to you rabid baseball fans of Richmond that you are seeing a class of baseball Sunday after Sunday that is almost equal to that played in the Coast League? On reflection, you will realize that you are. Bill Luce, the Elks' baseball manager, is a firm believer in good baseball. He figures the faster the games the larger the crowds. And he has it figured out just about right at that. So far this season, whenever rain has permitted diamond activities, the fans have seen fine games, with but one or two exceptions.

Another one of those good games will be played on Sunday when the Elks open hostilities with the Alameda nine. The Alameda club is an aggregation that is throwing a scare into all the semi-pros of this section.

"Slim" Nelson, former Coast Leaguer, is pitching for the lads from the Encinal City. Right here we say, and with emphasis, that Nelson is some pitcher. He is a southpaw, and unlike many southpaws, he is long on control. That old boy can stick 'em where he wants 'em when he is right. And reports reaching here from Alameda are to the effect that Nelson has done a comeback, and is in the best form of his career.

Opposed to Nelson will be another southpaw just as good as he is; none other than Francisco Gordon, who treats oils and mixes curves. Gordon is tearing oc weight and is in the best form of the season.

It should be a good game, after all is said.

FIGHT CARD LOOKS LIKE A GOODONE

Practically every fighter scheduled to appear at the boxing show at Kirby Floyd's Eighth street pavilion on Friday night has completed his training. Some of the boys have been going through some pretty strenuous paces for the past two weeks. All are down to the weight they will fight at, and the managers of all declare their boys are in first class shape for the going, no matter how hard it is.

Boxing shows and boxing shows have been pulled off in Richmond in times past. But tomorrow night's affair promises to be the best thing of its kind trotted out for the public in many a long day. Of course the writer is prejudiced about the quality of the show, yet the proof of the pudding is in the tasting. We think are past we'll be able to come around after Friday evening's fistic festivities with a smile on our map and chirp, "I told you so."

The bay region has been scoured for talent. The best there is in the fighting line in Richmond will appear on the card. The best that Oakland has to offer in a fistic way is coming out to perform for the amusement of the local fight fans.

If the fight fans want the boxing game to keep peppered up in this city, they can do their little share toward keeping the promoters in action by being present, tomorrow night.

Every fight a fight. No stalling. Referee Jimmie Silves will not stand for that. Action every minute, with rugged, clever, two-fisted birds to furnish it.

FREDIE GRAHAM CREDIT TO THE BOXING GAME

The following from a San Francisco paper gives Freddie Graham, one of the main eventers in Friday night's show, a big sendoff:

Perhaps the best fight of the evening was between Johnny Conde and Freddie Graham, which was won by the latter at the end of three rounds of milling that was thoroughly enjoyed by every attendant. Graham has joined the stables of Henry Ross and will be a stablemate of Conde from now on. He caused great amusement for the fans when he would stand and look around the audience picking out his friends, telling jokes to Conde and fighting at the same time. He wore that old golden smile and no matter how hard Conde would hit him, he would take it with a smile and continue to work his left and right hooks and crosses.

Graham is one of the most gentlemanly fighters that has ever entered the ring in the bay regions and is one of the cleanest. On one occasion during the milling Conde slipped and, instead of swinging on his opponent, like some fighters we have seen, he prevented the young Alamedan from going completely down by grabbing him and helping him regain his feet. This act alone proved to the fans that Granam was a gentleman and that is more than can be said of some of the fighters that enter the ring. He is a credit to the fighting game and it will be such lads as Grahaim who will help California to regain the lost fighting psivileges that were taken away last year. Under the wing of Ross, Graham should turn out to be a winner. We're strong for this lad and hope to see him fight as often as possible.

MATCH SHOOT IS NOT ARRANGED SAY GUNNERS

Although it has been announced that the Richmond Gun Club and the Alhambra Gun Club of Martinez are to hold a competitive shoot on the Martinez traps next Sunday, none of the local nimrods know anything about the shoot. Some one got off on the wrong foot in making the announcement, to judge from statements made by several members of the Richmond organization.

Oliver Wylie, who is one of the moving spirits of the local gun club, is one Richmond man who has not heard anything about the projected shoot.

Wylie says the local gunners have had no opportunity to practice so far this year. The traps of the clubs, located on the old Lang ball park on the west side, are under water, and will be for some time to come. At present the local blue rock batters are just marking time, and waiting for their traps to appear from the depths.

There will be a shoot between Richmond and Martinez in the near future. There is no doubt about that. The match shoot is one of the big events of the year among the marksmen. But as far as known no arrangements for the match have been made yet, or will be made for several weeks.

Union men, you are all taking it, sending out suits to Mayer American Cleaning Co. to be pressed or repaired. Phone 1122. 1116 Macdonald Ave. 8-17-tf—adv.
